

Did you run into a petition circulator?  
Here's what to do!

- ✓ Never attempt to interfere with a petition circulator's work.
- ✓ Never argue with a petition circulator, even if they're misrepresenting an initiative.
- ✓ Pay attention so you can report back:
  - Which petitions is the circulator carrying?
  - Did they have copies of the text of the initiatives available for inspection?
  - Did they misrepresent the subject matter of the initiative?
  - Where and when did you see them?
  - Were they working alone or in a group?
  - Did you catch the person's name?

Call Liz at Our Oregon at
